

Atrium's Series 8300 family of windows is now available with the **InsulKor™ Multi-Cavity Foam Filled Frame** option.

This exclusive option helps boost thermal performance. When foam wrap is added with the foam fill the product reaches maximum thermal performance.

Foam filled frame

- + Add **foam wrap** for additional ► thermal performance
- + Both options available on Double Hung, Slider, Picture Window and Special Shapes
- + Each can be combined with exterior paint and all grid styles

Foam wrap

Oil Rubbed Bronze patio door handles are now available.

- + The Oil Rubbed Bronze finish has the rich expression of old-world craftsmanship
- + Oil Rubbed Bronze handles available on 332 and 312 sliding patio doors
- + Available on any color and with paint, interior and exterior laminates
